

Citrus Freeze Coverage

Meeting growers' crop insurance needs in California

Talk to an RCIS crop insurance agent today.

RCIS' Fresno-based Regional Service Office team works hard to understand the crops, conditions and marketing concerns of California growers, always aiming to provide the best service possible. They share this dedication to customers with our network of local RCIS agents.

November 20

COVERAGE

Although you take every precaution to protect your crops, occasionally freeze or frost might affect your production. When adverse weather conditions hit, crop insurance coverage can help cover losses. Citrus Freeze is a private product providing crop insurance coverage with frost protection for your acreage. Various deductibles are available by county (25%, 35% or 50%). Citrus crops covered include:

- Grapefruit
- Lemons
- Limes
- Mandarins/Tangerines – Clementine, W. Murcat, and all others
- Oranges – Navel, Sweet, Valencia
- Tangelos – Minneola/Honeybell, Orlando

AVAILABILITY

Ask an RCIS crop insurance agent about availability in your area.

CAUSES OF LOSS

This policy insures against freeze damage to the skin or pulp of the insured citrus fruit. Damage must result from freeze that occurs during the insurance period after the citrus fruit is set. A loss or series of losses from freeze will be considered one event. The maximum insurance per acre (IPA) is \$2,500.

COVERAGE EXAMPLE

This example is based on a producer with 54 acres of navel oranges with an insurance per acre (IPA) of \$1,000 and 100% share. The rate is 5.9% with a 25% deductible.

	54	Acres
x	\$1,000	Insurance per acre
	\$54,000	Liability
x	5.9%	Rate
	\$3,186	Premium

The example provided above is for informational purposes only. Please refer to your policy for coverage terms. Contact an RCIS crop insurance agent for additional information.

About RCIS

We are the #1 crop-hail insurance provider and #2 federal crop insurance provider in the nation based on market share¹

We offer private and federal crop insurance solutions for about 160 crops across all 50 states and insure 109+ million acres²

Nearly 90% of 12,000 farmers who had a claim in 2020 scored the RCIS Claims team a 9 or 10 (out of 10) when completing a Transactional Net Promoter Score (TNPS) survey³

¹Statistics from report prepared by National Crop Insurance Services for Dec. 2020 board meeting materials. MPCI information source: Risk Management Agency | ²Source – based on internal RCIS data. | ³The Transactional Net Promoter Score (TNPS) is a measure of customer advocacy. TNPS gives a view of the company's performance according to customer perspective. TNPS is based on asking customers "How likely are you to recommend RCIS to a colleague or peer?" using a 0-10 scale. Source: Zurich Customer NPS® 2020. NPS (Net Promoter Score®) measures the willingness of customers to recommend a company's products or services. Net Promoter, NPS and Net Promoter Score are trademarks of Sametrix Systems, Inc., Bain and Company, Inc., and Fred Reichfeld.

Some products not available in all states or counties. This is intended as a general description of certain types of insurance and services available to qualified customers provided solely for informational purposes. Coverage is underwritten in all states by Rural Community Insurance Company, Anoka, MN except in Montana where hail coverage is underwritten by Tri-County Farmers Mutual Insurance Company, Malta, MT. Nothing herein should be construed as a solicitation, offer, advice, recommendation, or any other service with regard to any type of insurance product or services. Your policy is the contract that specifically and fully describes your coverage, terms and conditions. The description of the policy provisions gives a broad overview of coverages and does not revise or amend the policy. Coverage may vary by state. Coverages and rates are subject to individual insured meeting our underwriting qualifications and product availability in applicable states.
